Directions:

1. Print out page 1 of this PDF onto the cardstock of your choice. Make sure to select “Borderless Printing” in your Print Setup box.
2. Cut the printout in half between the two covers.
3. Cut 3 sheets of 8.5” x 11” paper (blank paper, lined paper, grid paper, etc) in half in the same manner as you cut the cover printout.
4. Fold and crease your cover. Then stack up all 6 half-sheets together and fold and crease them as well.
5. Stack the cover and pages together (open) and stitch or staple in the crease to bind your notebook together.
6. Start recording your gardening adventures & discoveries!
