

## A Recipe For:

Lined writing area for a recipe, enclosed in a dashed border. A yellow ribbon is on the left and right sides.

## *Extra Pepperminty Tea*

For a yummy peppermint kick in your winter time tea, try stirring a cup of hot peppermint tea (or any other favorite) with a peppermint candy cane! A few bags of peppermint tea, bundled together with a red ribbon, would make a lovely gift when placed inside a pretty mug along with a few candy canes. Clip and attach one of the gift tags below and give to a peppermint-loving friend!

Gift tag template with a dashed border, a holly leaf icon, and a hole punch. It contains the text "To:" and "From:".

Gift tag template with a dashed border, a hole punch, and a crossed candy cane icon. It contains the text "To:" and "From:".
